OUR GOAL

Inspired by the natural **beauty of a star-filled sky**, Starry Night captures the quiet poetry of the night and translates it into a sophisticated flooring experience. **Every color reflects a different atmosphere** ranging from the calm elegance of soft moonlit grays to the rich, luminous hues of an ever-changing nocturnal landscape.

Crafted with fine yarn, the surface carries subtle glimmers, as if each piece holds a fragment of the universe, **capturing the serenity of the night and translating it into a gentle, timeless presence** for interior spaces.

BEAUTY OF STARLIGHT

Starry Night transforms the shifting moods of the night sky into flooring design, where ultra-fine filaments weave tiny points of contrasting color into the surface, creating a sophisticated interplay of light and texture that recalls stars shimmering against the quiet depth of the night sky.

The collection offers 24 colors, ranging from a wide spectrum of grays to accent tones that capture different states of the night—calm, glowing, or deeply mysterious. By using fine yarn, the surface reveals delicate speckles and nuances, reminiscent of countless stars scattered across the sky. Each piece becomes a quiet reflection of the cosmos, bringing depth, serenity, and a timeless sense of wonder into interior spaces.

Manufacture System

SOLAR made carpet

VOXFLOOR® constructs its solar power generation system, utilizing clean energy for sustainable production.

An Environmental Product Declaration (EPD) tells the life cycle story of a product in a single, comprehensive report. The EPD provides information about a product's impact upon the environment, such as global warming potential, smog creation, ozone depletion and water pollution.

Administered by the Singapore Environment Council (SEC) since 1999, It is Singapore's leading environmental standard and certification mark with over 3800 unique products certified across 43 countries.

Credits Contribution to:

LEED (Leadership in Energy and Environmental Design) is the most widely used green building rating system in the world. LEED certification is a globally recognized symbol of sustainability achievement and leadership.

VOXFLOOR® tracks and reduces greenhouse gas emissions (ISO 14064), minimizes the carbon footprint of carpet tiles (ISO 14067), and achieves carbon neutrality through renewable energy and offsetting (ISO 14068-1).

ISO9001, ISO14001, ISO45001 certified, VOXFLOOR® ensures reliable, high-quality manufacturing.
